Trail Run

### Morristown West Cross Country

The Morristown West Cross Country team is comprised of approximately 40 runners who represent their school at local, regional and state meets during the fall semester. These runners have made quite a name for themselves throughout the southeast, as they have competed strongly against top ranked teams.

Our Booster Club raises 90% of the money necessary to run a typical season. The success of our program would not be possible without sponsors like you.

Thank you for your generous support!

## Stay cool this summer...

Summer isn't care free for all car owners. Don't forget these critical summertime car care tips:

- Don't overheat: monitor coolant levels, have a/c system and cooling fans checked.
- Use a synthetic, high-viscosity motor oil in warmer weather.
- Use windshield shades to keep yourself cooler and preserve car interiors.
- Replace windshields and monitor tire quality in case of rain.
