

You're Invited to be a part of Leadership Morristown 2017

The Leadership Morristown program is designed to familiarize the participants with various aspects of life in our community, introduce them to those individuals and organizations responsible for “making things happen”, and provide some personal development training. Session dates and topics are listed below. A more complete description of the activities included in each session is on the reverse side of this flyer. We hope you’ll join us. Your ideas help us make things happen.

Leadership Morristown 2017 Schedule & Program Outline

Thursday, August 3— Team Building/DISC Profile (personality assessment tool)—at Walters State Community College. Begins with an 8:00 a.m. Breakfast Reception with Leadership Alumni

Thursday, August 10—Participants will have the opportunity to visit a number of non-profit social service agencies in our area and learn about their activities. This day will also include a session on the media's role in our local community, and how they impact a community's growth and success.

Personal Development Skill: Budgeting

Tuesday, August 22—A panel made up of representatives of local government, law enforcement, drug court, pharmacist and emergency room personnel will discuss the impact of drugs on our community. The group will also participate in a Health Mob activity. The afternoon focus will shift to how tourism and local entrepreneurs in the retail and restaurant industry impact our local economy. Tour of downtown will be included.

Personal Development Skill: Good Nutrition and Healthy Habits

Thursday, September 7—This is the day to have fun while learning about the arts and recreational opportunities our community has to offer as well as the community's cultural diversity.

Personal Development Skill: Public Speaking

Tuesday, September 19—Participants will spend the day with the leaders of business and government, beginning with attendance at a Chamber of Commerce Board meeting and ending at a City Council meeting. In between, they will hear from the City and County Mayors and School Superintendent, tour the courthouse, city center, county jail and see how the court system works.

Personal Development Skill: Conflict Management and Coping Skills

Wednesday, October 4—Participants will start the day attending the Chamber Industrial Appreciation Breakfast and hearing a presentation on the Economic Wheel of Fortune by industrial leader R. Jack Fishman. The class will tour several industries including one of our community's largest employers and several of our most unique, homegrown industries.

Personal Development Skill: Negotiation

Tuesday, October 17—This is the day to learn about what goes on behind the scenes with the infrastructure that makes our community run smoothly. The day will include tours and information on our utilities and other public services.

Personal Development Skill: Decision Making

Thursday, November 2—Focusing on education, the group will visit private and public schools and our TN College of Applied Technology. They will also hear from our community's very successful Education Foundation, HC*Excell and learn about opportunities for college bound students and adults.

Personal Development Skill: Using Social Media Responsibly and Professionally.

Thursday, November 9th—Graduation will be celebrated as part of the Chamber's Annual Meeting.

Most sessions will be held between 8:00 a.m. & 5:00 p.m. Times are subject to adjustment—participants will receive e-mail notification at least 1 week prior to each session. Exact program content may be subject to change. Additional opportunities may be available as the class progresses. Tuition information and attendance requirements are included on the registration form.
