

# September Chamber Chatter!

## News From Our Members, About Our Members

### David Slack Named Hamblen, Jefferson County Executive

HomeTrust Bank has announced the appointment of David E. Slack to the position of Hamblen and Jefferson County Executive. In that position, Slack will be responsible for developing new business, expanding current commercial relationships and assisting with retail services.

"With more than 30 years of banking experience, David brings extensive experience to our team, particularly in the area of commercial services," says Trey Coleman, Regional President for Eastern Tennessee. "His primary duties will be to build on our current commercial relationships and to build business in both the retail and commercial areas in Hamblen and Jefferson Counties.

Slack is a University of Tennessee graduate (1985) and an Army veteran (1985-1988), having attained the rank of Captain as an Intelligence Officer. During his career, he has been involved in numerous community organizations including United Way, the Chamber of Commerce, and Lions Club.

### About HomeTrust Bank

HomeTrust Bank, founded in 1926, is a nationally chartered, community-focused financial institution committed to providing value added community banking through online/mobile channels and more than 40 locations in Southwest Virginia, North Carolina, Upstate South Carolina, and East Tennessee. The Bank is the 2nd largest community bank

EAA Chapter 1494 and the Morristown Airport are hosting the annual community fly-in / drive-in event again this September 22<sup>nd</sup>. This year will include even more kid/family oriented activities than before. A first this year will be a seaplane booth with several seaplanes (amphibious) on static display. Hopefully, we will have some warbirds fly in and land and we will certainly have a variety of aircraft on display, both those based at MOR and others flying in for the event. We will again have \$25 airplane rides and are adding \$25 helicopter rides this year. The WACO from Sevierville will be back and offering flightseeing rides for purchase. LifeStar will reposition their helicopter during the event and give ground tours of their aircraft, explaining how they operate. We'll also have food vendors on site. Admission and parking are free.

This event is an invitation to the community to come out and enjoy a day immersed in the world of aviation, learn more about some of the businesses that operate from their airport, take a ride in a plane or helicopter and view a variety of aircraft on the ground and in the air. Additionally, Lloyd's Music Mart is hosting a Fly-in Music

concert following the airport event. The concert will start at 3pm and go until dark, with 5 bands and \$5 admission.
