

October Chamber Chatter!

News From Our Members, About Our Members

October 27th - 28th

Presented by:

Rose Center's busy season is here, and things are lively around the office as they prepare for another wonderful Mountain Makins Festival. A whole army of folks around the region are working hard to make sure all the details converge into a delightful, and well-loved event. With 8 bands across two stages for two days, Mountain Makins is on track to bring all the best regional Old Time, Bluegrass, Southern Soul, and Americana music right here to Hamblen County. Not to mention the delicious food vendors, which will be on hand with annual favorites and new treats alike. A local favorite-- The Country Store offers some of the best home-cooked foods made by local Hamblen County cooks. Here in the office, we can name a few folks who show up as soon as the gates open to get their favorite snacks from the Country Store each year. Authors, Storytellers, craft demonstrations, and pony rides are all returning to see old friends and make new ones. Rose Center would like to extend our gratitude to the following organizations, businesses, and individuals who through their generous contributions and sponsorships make the Mountain Makins Festival a reality for all of us. Please take a moment to thank them for the support and we encourage you to support their business in return.
