BANKER NOTE: Select "2024 JAN CHK SAV 800" from drop down or type 2024JAN if open field when opening the checking or savings account to be eligible for the bonus.
1. U.S. Bank Smartly® Checking bonus: To be eligible, you or any owner(s) on your new Bank Smartly Checking account cannot have an existing U.S. Bank consumer checking account, had a U.S. Bank consumer checking account in the last two years or received other U.S. Bank bonus offers within the past two years. You must also use the promo code 2024JAN at account opening. To receive the bonus, you must open a new U.S. Bank Smartly® Checking account with a minimum deposit of \$25 either online, in a branch or over the phone from January 9, 2024 through and including March 12, 2024. Additionally, you must enroll in the U.S. Bank Mobile App or online banking within 90 days of opening your account. You must also complete two or more direct deposits within 90 days of opening your account that total: \$3,000 – \$4,999.99 to earn the \$100 bonus, \$5,000 – \$9,999.99 to earn the \$300 or \$10,000 or more to earn the \$500 bonus. A direct deposit is an electronic deposit of your paycheck or government benefits, such as Social Security, from your employer or the government. Other electronic deposits or person-to-person payments are not considered a direct deposit. Your checking bonus ("adjusted interest") will be credited to your new checking account within 60 days of direct deposit verification and verification of enrollment in online banking or the U.S. Bank Mobile App as long as your account is open and has a positive balance. Bonus will be reported as interest earned on IRS form 1099-INT and recipient is responsible for any applicable taxes. Offer may not be combined with any other checking account bonus offers.

2. Standard Savings bonus: To be eligible, you or any owner(s) on your new Standard Savings account cannot have an existing U.S. Bank savings account or money market account, had a U.S. Bank consumer savings account or money market account in the last six months or received other U.S. Bank savings account or money market account bonus offers within the past 12 months. You must also use the promo code 2024JAN at account opening. To receive the bonus, you must open a new U.S. Bank Standard Savings account with a minimum deposit of \$25 either online, in a branch or over the phone from January 9, 2024 through and including March 12, 2024. Additionally, you must make new money deposit(s) by March 31, 2024 totaling \$25,000 or more. You must then maintain a minimum account balance of \$25,000 through June 30, 2024. Fees will reduce your eligible balance, and deposits may be needed to cover these fees to maintain the balance for this offer. New money is considered money that is new to the customer or new to U.S. Bank where funds are coming from outside U.S. Bank. Funds cannot be transferred from another U.S. Bank product. Your \$300 savings bonus ("adjusted interest") will be credited into your new savings account within 30 days of final savings account balance verification as long as your account is open and has a positive balance. Bonus will be reported as interest earned on IRS form 1099-INT and recipient is responsible for any applicable taxes. Standard Savings accounts are variable rate accounts. For Standard Savings, the Annual Percentage Yield (APY) is accurate as of January 9, 2024, any balance: 0.01%. Interest rates are determined at the bank's discretion and can change at any time. Interest will be compounded daily and credited to your savings account quarterly. Fees may reduce earnings on account. Offer may not be combined with any other savings account bonus offers.

You must use the promotion code listed on this offer when you apply. Limit one checking and savings bonus per eligible account. Current U.S. Bank employees are eligible to participate. Offer may not be available if you live outside of the U.S. Bank footprint. Offer not available through Alliance partnerships. Offer not available with Trust Accounts. Other restrictions may apply. All standard account terms, conditions and opening procedures apply. For a comprehensive list of account pricing, terms and policies, see the Your Deposit Account Agreement and the Consumer Pricing Information disclosure.
